Contactless Card or Smart Device – Bank issued contactless credit, debit or prepaid cards or enabled digital wallets on mobile devices or wearables.

Registered Card – A SEPTA Key Card or Contactless Card that has been registered with SEPTA for identification purposes. A Registered Contactless Card has all of the account relationships and pre-purchased fare capabilities of the SEPTA Key Card.

Unregistered Contactless Card – Contactless Cards that are not registered with SEPTA and do not have SEPTA Travel Wallet, nor SEPTA Pass attached. When used for payment, the fee charged for a fare is the same as the Cash Fare and is referred to as a PAYGO transaction.

Senior Citizen SEPTA Key Photo-ID Card – A SEPTA issued photo identification for senior citizens used to identify the individual as a senior citizen entitled to SEPTA transportation benefits.

SEPTA Key Reduced Fare Photo ID Card – A SEPTA issued photo identification for qualified disabled individuals that contains a SEPTA Travel Wallet with stored value used to satisfy the Disabled Base Fare and Disabled Transfer Fee.

SEPTA Travel Wallet – A compartment on the SEPTA Key Card, Registered Contactless Card, and SEPTA Key Reduced Fare Photo ID Card that contains stored value from which the appropriate fare is deducted.

Cash Base Fare – The fee charged for when payment is made with cash.

Travel Wallet Base/Transfer Fare – The fee charged for when payment is made with a SEPTA Key Card or Registered Contactless Card that has a SEPTA Travel Wallet.

Pass products that can be stored on a SEPTA Key Card or Registered Contactless Card include:

The Quick Trip is equivalent to a base fare payment and does not provide the ability to purchase a transfer. Valid at any transit station for date printed on ticket.

SATISFACTION OF FARES:

1) BASE FARE

The base fare can be satisfied by cash or token payment, legacy magnetic SEPTA pass, Quick Trip, Registered/Unregistered Contactless Card or SEPTA Key Card loaded with a SEPTA Travel Wallet with stored value at a rate defined in Table 1. A SEPTA Key Card or Registered Contactless Card with an appropriate pass attached also will be accepted as Base Fare.

Satisfaction of the Base Fare entitles a passenger to a one-way trip, in either direction, on any regular scheduled route.

2) TRANSFER

Satisfaction of a free or paid Transfer Fee entitles a passenger to a one-way trip, in either direction, on any intersecting, or near intersecting regular scheduled route that is considered a continuation of the journey, and not a return to the point of origin or near point of origin. A transfer to the same route in the same direction is considered a continuation of the journey.

A ride is considered a transfer if it occurs within 120 minutes of the initial base ride from any intersecting or near intersecting route, provided it is not a return to the point of origin or near point of origin, otherwise it will be considered a Base Fare and will be charged as such as defined in Table 1. A single trip is limited to two (2) transfers within 120 minutes of the initial base ride.

Transfers Fees can be satisfied by using a legacy magnetic SEPTA pass, Registered/Unregistered Contactless Card or SEPTA Key Card loaded with a SEPTA Travel Wallet with stored value at a rate defined in Table 1. If payment is being made with a SEPTA Key Card or Registered Contactless Card with an appropriate pass attached there will be no charge unless the limited number of rides has been exceeded.

a) EXCEPTIONS:

- 1) A ride is not considered a transfer if it is to the same route in the opposite direction. Such a ride will be considered a Base Ride and the appropriate Base Fare will be charged.
- 2) No transfer fees are required and no rides are applied to passes for interchanges between:
 - a) Market-Frankford Subway-Elevated and the Broad Street Subway at the City Hall/15th Street Station Complex.
