CHANGES MADE BY THIS TARIFF

- 1) The cost of the round-trip ticket is increased to **THREE DOLLARS AND FIFTY CENTS (\$3.50)**.
- 2) The cost of the return trip ticket is increased to **ONE DOLLAR AND FIFTY CENTS (\$1.50)**.
- 3) Ticket number 2 eligible routes have been changed to the same routes that are eligible for ticket number 1.
- 4) Once SEPTA Key is fully operational the following changes will be implemented:
 - The discounted round-trip fare originating on PATCO is eliminated.
 - The discounted return-trip fare originating on SEPTA is eliminated.
 - The PATCO Freedom Card will be accepted on SEPTA at the rate of **TWO DOLLARS (\$2.00)** per trip, regardless of whether the trip is a base ride or a transfer ride. Freedom Card holders must notify PATCO in advance of intention to use their card on SEPTA to be eligible, and must maintain a minimum card balance of \$20.00 before using card on SEPTA.
 - Once SEPTA Key is fully launched and a joint fare agreement is executed between PATCO and SEPTA, the above cross honor fare will be in effect.

During the effective period of this Tariff, SEPTA will be transitioning to full implementation and use of the SEPTA Key Card. The Fares, Rules and Regulations in this Tariff will overlap the transition period to this Technology, so it is necessary to establish two sets of rules to accommodate legacy fare products and SEPTA Key. During the transition period, both sets of Fares, Rules and Regulations would be in effect and would apply to the specific technology in use at the time.
